Prescribed Period - Applications for building control approval with full plans only

9

The Building Act allows five weeks to give a decision on a 'full plans' submission. Our aim is to process every submission as soon as possible. In some cases we may require more information from you. To allow you time to obtain this information, we suggest that you agree to the extension of the five week period to two months. This can be extended further by agreement.

It will not delay our processing of your application. Do you consent to an extension of time? YES NO

Electrical Work

10

Please indicate whether all electrical work associated with this submission will be undertaken by a person who is a member of a Part P Competent Person Scheme. Yes No

Please be aware that where electrical work is 'notifiable' and is undertaken by an electrician who is not a member of a Part P 'Competent Person Scheme' a charge may be made to recover the Council's costs in checking this element of the project. For details please refer to our charges.

Commencement of Work

11

Please provide information as to the date when it is proposed the building work will be commenced in accordance with regulation 46A of the building regulations. For a building with foundations this means when the foundations will have been placed and the construction up to ground floor level is complete. For other building work this will be when 15% of the works are completed. Date:
